PROFESSIONAL EXPERIENCE

CONFIDENTIAL U.S. REAL ESTATE MEDIA CLIENT | Real Estate Media Coordinator / Quality Control | 2026–Present

- Support the day-to-day media workflow for U.S. residential listings, coordinating photography, cinematic video, floor plans, 3D tours, virtual twilight/staging, and delivery.
- Perform Quality Control on real estate photography in Lightroom and Photoshop, reviewing exposure, white balance, color consistency, vertical and horizontal lines, perspective, composition, distractions, and object removal.
- Review property galleries for completeness and consistency, checking room coverage, image sequencing, presentation, and whether the final set is ready for client delivery.
- Work with CubiCasa, Matterport, Zillow 3D Home, Higgsfield, and Nano Banana Pro as part of the property media workflow.
- Receive and organize video assets through Box.com, host completed videos through Vimeo, and monitor project completion and client payment status through Spiro.
- Identify editing issues or missing deliverables before delivery and coordinate corrections with the appropriate team member to protect quality and turnaround times.

CONFIDENTIAL U.S. RESIDENTIAL REAL ESTATE CLIENT | Real Estate Virtual Assistant | 2024–2026

- Support day-to-day U.S. residential real estate operations across lead generation, CRM management, transaction support, client communication, and administrative workflows.
- Source approximately 10 new leads per day from Zillow, LoopNet, and RentSpree; encode and organize contacts in Jtek Navigation and Follow Up Boss.
- Manage TikTok and Instagram marketing, including daily content, engagement, and direct-message responses; grew accounts from about 80 followers to more than 4,000.
- Execute drip email campaigns three times per week to approximately 500 contacts per campaign, maintaining consistent lead-nurture touchpoints.
- Handle lease, purchase, and listing agreement workflows through car.org, ZipForm, and DocuSign; support 1–2 purchase transactions and 1–2 lease/rent transactions monthly.
- Update CRMLS listings, verify open-house details, and maintain accurate property photos and listing information.
- Build and maintain Zapier automations connecting Google Workspace, ZipForm, Viber, WhatsApp, Zillow, RentSpree, and LoopNet; use email parsing where native integrations are unavailable.
- Collect client reviews for Zillow and maintain follow-up systems designed to keep lead, document, and communication workflows organized with minimal supervision.

AYALA LAND INTERNATIONAL SALES | International Executive Assistant | 2024–2025

- Supported an international real estate sales team led by the Regional Director, coordinating operations for approximately 25 agents across the Middle East, Asia, UK, and U.S.
- Managed around three meetings per day, daily inventory reporting, property refresher sessions, and onboarding/training for newly hired agents.
- Prepared weekly consolidated performance reports covering team sales, individual sales, year-to-date results, and quota tracking.

- Assisted with up to four sales documentation workflows per day, coordinating internal departments and external agents/clients to keep files complete and timely.
- Coordinated communications and documentation across Dubai, Hong Kong, Macau, China, London, New York, and California using Google Workspace, Salesforce, Teams, Viber, and WhatsApp.
- Implemented a Zapier workflow integrating Viber, Telegram, and WhatsApp with Salesforce to capture agent messages and trigger alerts through preferred messaging channels.
- Supported international marketing, listing accuracy, team growth monitoring, and deployment-budget coordination.

ROBINSONS LAND CORPORATION | Destination Estate Operations | Administrative Assistant | 2019–2023; Estate Assistant Manager | 2024

- Supported operations for a 30-hectare destination estate in Pasig City, progressing from Administrative Assistant to Estate Assistant Manager.
- Supported a 10-person internal team and coordinated with 20+ cross-functional stakeholders, external clients, and brokerage firms, engaging with approximately 100 contacts monthly.
- Managed monthly billing for five third-party service providers and processed approximately 30 payment-related transactions each month.
- Maintained centralized records covering gate passes, work permits, sales documentation, payment monitoring, inventory, receipts, and technical plans.
- Coordinated weekly estate events and activities, including increased seasonal activity during the Christmas period.
- Promoted to Estate Assistant Manager and supervised a 58-person outsourced operations workforce spanning security, housekeeping, gardening, technical, and administrative functions.
- Resolved a seven-month third-party billing backlog during the first week in the Estate Assistant Manager role, restoring timely payment processing for service providers.
- Built an inquiry-management and task-tracking workflow using Zapier, Google Workspace, Google Sheets, ClickUp, SAP, Salesforce, and QuickBooks; automated website inquiry capture, notifications, task assignment, and follow-up tracking.
- Established an operational workflow that remains in use, improving consistency and maintainability across inquiry tracking, task assignment, and follow-up.
